Your People. Your Performance. Our Priority.

Interim and Permanent Recruitment (Lots 1 & 2)

Recognising that one approach doesn't fit all, our tailored service means that we can provide high quality candidates as and when you need them. We take on the responsibility for the entire end-to-end process which includes contractor migration and implementation, technology enabled solutions and managing suppliers.

Under the framework, we can recruit resource for the following roles:

- Commercial, Finance, Procurement and Legal (Lots 1c and 2c)
- IT, Digital, Media & Marketing (Lots 1f and 2f)

Assessment and Testing Services (Lot 5)

Our end-to-end service covers response management, outcome communication, short-list creation, technology enabled candidate shortlisting, criteria-based automated applicant selection, technical and psychometric testing, and interview management.

Statutory Employment Checks (Lot 7i)

A flexible solution tailored to your organisation's exact requirements. This could include verifying a candidate's legal right to work in the UK, proof of their identity, employer references, industry-specific checks and other statutory verifications that may require third party assurances.

Delivering high calibre resources

Our services are completely tailored to your needs and through our proactive approach and dedicated account management, you can expect:

- Provision of resources for your business as and when you need them
- Simplified, automated and streamlined recruitment and timesheet processes
- Certainty of delivery
- Strict rate card and transparent pricing structure delivering enhanced financial savings
- Time and resource savings
- Full legislation compliance and risk management
- Compliance

Using sophisticated techniques that go way beyond typical job boards and database searches, we source temporary resources, interims, permanent staff and contractors from the most junior to the most senior, including board level roles.
